Note: This statistical data is based on existing single-family detached home sales reported sold through the Capital Area Association of REALTORS Multiple Listing Service (MLS) from 1998 through 2013.

*Beginning with the year 2000 approximately 200-300 +/- sales were added annually from Christian County which had the effect of reducing the median sale price by about \$2,000.
 Beginning with the year 2003 approximately 300-400 +/- sales were added annually from Morgan County which had the effect of reducing the median sale price by about \$1,500.
